

UNISURGE

the standard procedure

Theatre Quality Surgical Instruments

Comprehensive Range

Unisurge offers one of the most comprehensive ranges of Single-Use Disposable Instruments available. Call our Sales Hotline now for details.

Peel-Off 'Trace Me' Label

All Unisurge Single-Use Surgical Instruments are traceable throughout their usable life using the peel-off label. This reduces the risk of repeated use and consequent contamination.

Excellent Quality

All Unisurge Single-Use Surgical Instruments are manufactured to the very highest standards. Their balance, precision and feel are matched only by their cost effectiveness.

Extra Safe, 'Easy-Peel' Pouch

All Unisurge Single-Use Surgical Instruments are double wrapped sterile in our 'Easy-Peel' Pouches.

Convenient Storage

All Unisurge Single-Use Surgical Instruments are provided in handy dispensing boxes.
