

Unisurge International Ltd is the leading manufacturer of single use sterile medical devices and custom procedure packs. We have recently been recognised by the London Stock Exchange Group and included in their landmark *1000 Companies to Inspire Britain* report which showcases the UK's most inspiring and fast growing small and medium-sized enterprises.

Class 1 Driver / Class 2 Driver

Salary is based on skill level and previous experience

Unisurge International Ltd is experiencing exceptional growth and has an opportunity for an experienced Class 2 delivery driver to join us at our site in Newmarket. This position is on a full-time permanent basis and will receive a competitive salary with benefits such as holidays to be accrued.

Key areas of responsibility:

- To deliver goods to customers in a timely manner
- To follow all local rules for deliveries at customer locations
- To get all paperwork signed by customers upon receipt of goods
- Hand in all paperwork to the office at the end of each day
- Inspect the vehicle daily prior to leaving site and record all information on the driver vehicle check and defect report form
- Carry out basic maintenance of the vehicle and keep in a clean condition
- Ensure that all quality regulations and requirements for the operation of the vehicle are maintained at all time
- To download Digi tacho card weekly after delivery

Criteria

- Ideally applicants should be educated to GCSE Grade C or equivalent in English and Mathematics (Desirable)
- Good verbal and written communication in English (Essential)
- Previous experience working in a similar role is desirable together with being a holder of a Class 2 licence, Digi tacho card and CPC (Essential)
- Ability to spend up to 3 nights out (Essential)

Unisurge International Ltd is an equal opportunities employer and positively encourages applications from suitably qualified and eligible candidates regardless of sex, race, disability, age, sexual orientation, gender reassignment, religion or belief, marital status, or pregnancy and maternity.
